OVERVIEW

The Hillsview corner model is perfectly designed for a family looking to turn a beautifully built house into their forever home. The Hillsview's smart configuration maximizes the homes square footage of 2498 sq. ft. The second-floor bedrooms all feature walk-in closets and a generous spa-ready ensuite in the primary bedroom creating privacy for all family members. Main floor features a chef's dream, with an open concept interconnected great-room, dining-room, and an expansive walk-in pantry for all your cooking needs.

Includes \$ 152,000 in upgrades and \$42,000 in Lot Premiums.

Hillsview | 34' Lot

FLOORPLANS

All locations are to be approximate and may be impacted by joist locations, HVAC, plumbing etc. The builder has the right to move locations slightly in order to accommodate house design.

Ontario Building code supersedes anything on this drawing.

All material, specifications and floor plans are subject to change without notice. House renderings are artists' conception and may be built as a mirror image. All floor plans are approximate dimensions.

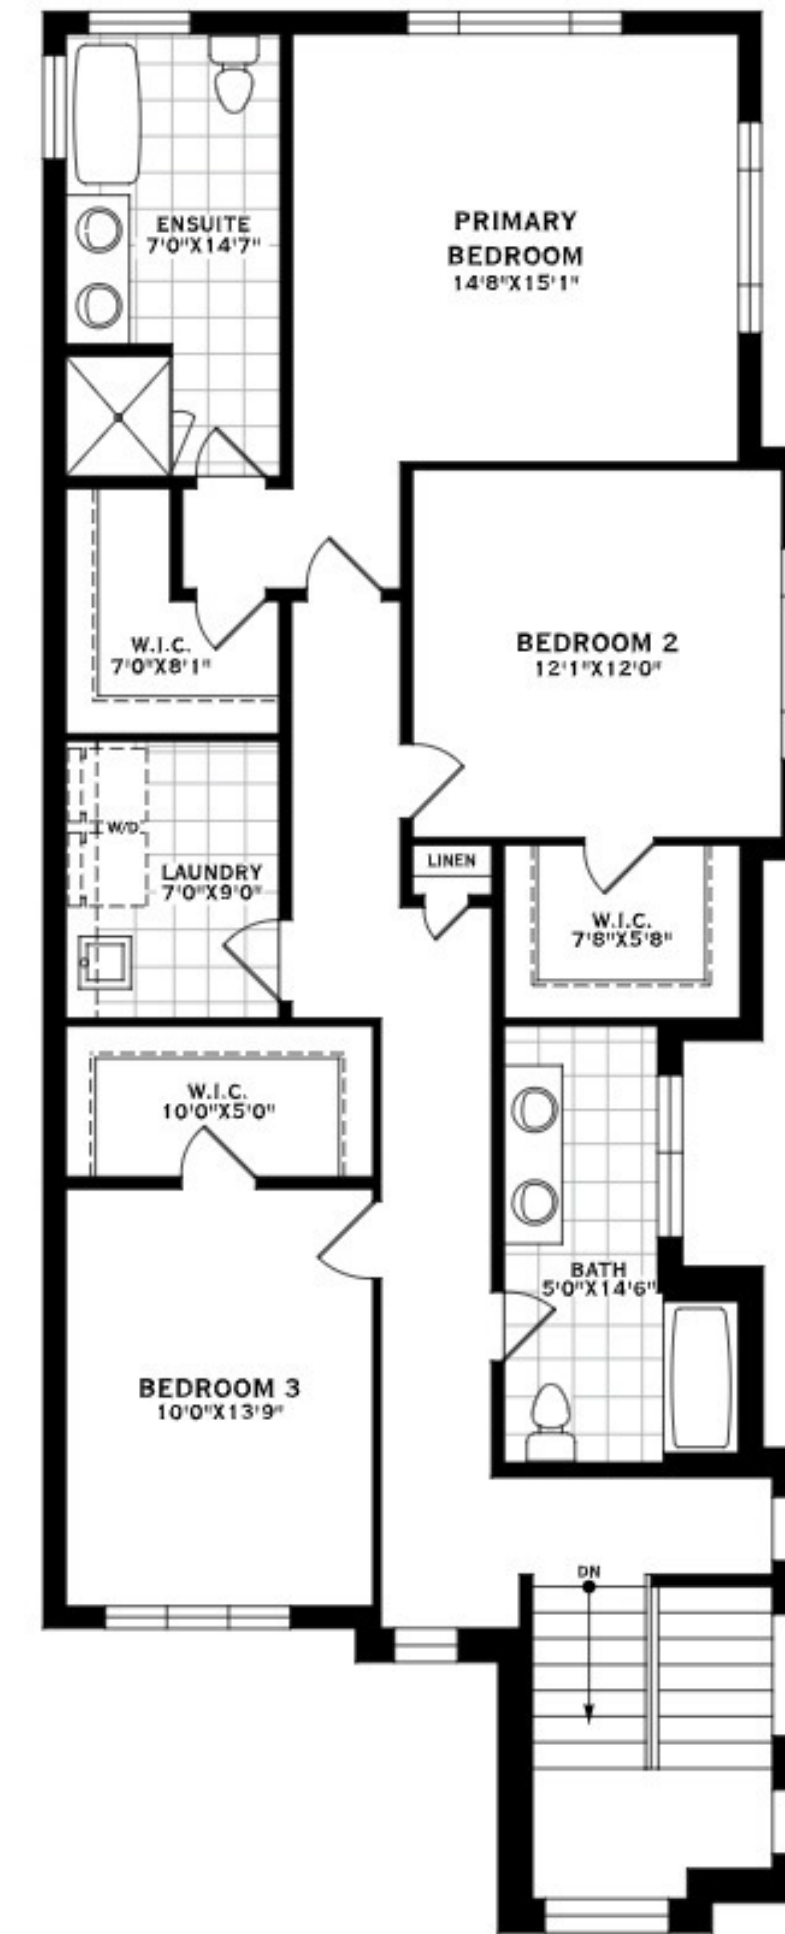

Actual usable floor space may vary from the stated floor area. Colour representations are approximate and subject to change. Municipal Architectural Controls may require modification to exterior material used, exterior house design, appearance and colours.
