

2-STOREY

45' LOT | DETACHED

OVERVIEW

This impressive 2-storey home offers 3,566 sq. ft. of spacious living for a large family. The second floor features 4 generously sized bedrooms, 3.5 bathrooms, a large primary suite, and a versatile media loft. On the main floor, a grand entrance opens to bright, open-concept living, complemented by an oversized kitchen island with an integrated breakfast table and a walk-in pantry, completing this modern family-focused design.

FLOORPLANS

All locations are to be approximate and may be impacted by joist locations, HVAC, plumbing etc.
The builder has the right to move locations slightly in order to accommodate house design.

Ontario Building code supersedes anything on this drawing.

All material, specifications and floor plans are subject to change without notice. House renderings are artists' conception and may be built as a mirror image. All floor plans are approximate dimensions.

Actual usable floor space may vary from the stated floor area. Colour representations are approximate and subject to change. Municipal Architectural Controls may require modification to exterior material used, exterior house design, appearance and colours.
